Speaker for August Meeting (All): Jerry was unsure who Barbara recommended. He will follow up.

Septic Survey Questions (All): Various suggestions were made for the septic survey. For example, the group discussed whether to proceed doing a Septic Survey Questionnaire to be sent to all shoreline property owners. The Board agreed to do this and to develop a questionnaire that would be sensitive to the owner's response. Inquiries to organizations who have recently completed septic surveys will be made and a questionnaire developed for review.

Treasurer's Report (Steve): Steve has put a tag in Mail Chimp for those who have paid. Phil recommended sending out a reminder prior to the August meeting. Dream Host set up has been a problem for Steve. Weebly will cost \$200 for 2 more years, which has already been paid.

Lake Host Update (Claudia): Naomi Cleveland has been wonderful. Her last weekend was 8/16 – 8/17. Bambi Davis will cover the remaining two weekends through Labor Day.

Watershed Update: The Board will re-evaluate where we stand on this soon. Jay Markarian will no longer be involved in the watershed discussion, citing 'ethical and scientific' concerns.

Brief discussion regarding 2-person jet skis versus 3-person jet skis which are considered 'boats'.

Regarding the website and the Facebook page, Steve noted that Facebook drives the website.
